CATALOGUE OF ART ABOUT ELECTRONICS AND MORE

2024

BY JPARK

PAINTINGS

ACRYLIC
ON CANVAS

#1 Sex Worker

This was the first in a series of three family portraits and is a surreal rendition of the artist's wife as noted in "Capitalist Dreaming"

See also #2 and #5

#2 My Brother

This was second in a series of three family portraits by the artist. A surreal rendition of his brother Prgog who is his twin.

#3 Minions

A surreal splash of the colour of bananas and all things yellow. Minion at the top is a found item that compliments the painting's soul.

#4 Jupiter with Satellites

This painting denotes the strong feelings one gets when seeing the immensity of Jupiter up close.

#5 Me

An interpretation of the artist's original form.

#7 U7

A close-up view of a printed circuit board as imagined by the artist.

#6 Sound Waves

A combination of speaker and waveforms that interprets the frequency of sound.

Matter = Frequencies = Matter

#8 Secret Garden

A painting done for the artist's wife to remind her of her home planet. The ferns are "Singing Fruges". Pretty but poisonous to carbon lifeforms.

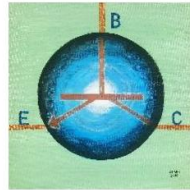

#9 NPN Transistor

The symbol of a transistor in three surreal dimensions.

C= Collector

E= Emitter

B=Base

#11 Visions of Venus

Another first-hand interpretation of the planet Venus with IC's as satellites.

#10 Satellites

The artist's first view of earth with satellites made from IC chips.

#12 Radioactive

Whether it be the sun, the moon or the fabric of space, radioactivity is the yin and yang of life.

#13 U2

Not the band, but the location and the pad.

#14 Earth and Sun

The view of the sun as a pad on a PCB with the earth below.

#15 Typo

An interpretation of the pain, work and love, involved in writing the book, Capitalist Dreaming.

#16 WW2

Nationalism is a lie, that your country, culture, religion or skin tint is somehow the best. Justified by the fact that you were randomly born in to it.

#17 A Byte of Tracks

A byte is eight bits.

#19 A Moon

Another interpretation of the artist view on his way to earth.

#18 Blue Hole

A unique place in the ocean where all life on earth started.

#20 A Storm in Time

“May you live in interesting times.”

... Confucius

#21 The Large Track

Anything taken to its logical extreme becomes unrecognisable.

#22 Bitcoin Will Save Us All

A homage to human's false desire to be saved by money.

#23 How High Will Bitcoin Go

\$140,000.00 and rising.

#24 E=MC²

Life is knowledge

Knowledge is life.

#25 Coil

In electronics a coil is often called a shunt and is often used to filter good thoughts from bad.

#26 Green Off

Breaking the chains of life.

#27 GPS

An Android Global Positioning System on the ocean.

#28 Games People Play

Even aliens enjoy the occasional time-wasting game.

#29 Blue Off

A swim in the ocean and the feeling
of being one with nature.

#30 A 3D Floppy

A homage to a lost technology.

#31 Fire

The evil in fire made manifest.

#32 Tracks On The Horizon

A nibble of PCB tracks in unison.
From the artist's dream of PCBs

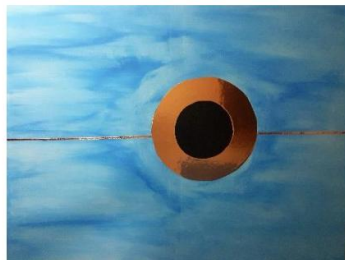

#33 Pad and Bits

Large PCB pad with surface mount components.

#34 Large Pad and Track

Self-explanatory.

#35 PCB

A microcontroller /relay printed circuit board.

#36 Windows

A view through the tunnel into Microsoft.

#37 The Singularity

A view of the singularity as seen by the artist while traveling through time and space.

#39 Purple Tracks

Two parallel copper tracks bordered by purple.

#38 Lightning Protection

A set of lightning protection PCB's set into a landscape.

#40 Radio Days

The most basic schematic possible of a radio transmitter or receiver.

From left to right...

Antenna, Resistance, Capacitance and Ground.

#41 Scroll Lock

Old computer keys... where the land meets the shore.

Scroll Lock, F8, 9, 8, Shift Left

#42 LP Record

Huge pad and keypad.
Reminds the artist of a vinyl long playing record.

#43 Morse Code

This is not art but that it ...

#44 Large Micro Pad

A large pad for a surface mount component on a green PCB.

#45 555 Timer

The 555 timer is an integrated chip that is used in many circuits for timing control and many other uses.

#46 A Crack in Time

A shout out to the most surreal imaginary friend and clever boy...
“Dr. Who”

#47 Resistance is Futile

We are all becoming cyborgs.

#48 Phone Home

Old phone technology that once lived in everyone's kitchen.

#49 My Moral Compass

My moral compass is defined by no one.

#50 For Sale

An adjustable for-sale sign.

#51 Single Track

The minimalist track on a PCB.

Rock Sculptures

Sculptures are from rocks found near Toodyay Western Australia and bases are repurposed jarrah

#60 Small Rocks

Rocks gathered from Toodyay and arranged in the style seen in Windhoek, Namibia.

#61 Large Rocks

Rocks gathered from Toodyay and arranged in the style seen in Windhoek, Namibia.

Saw Blade and Cups

Saw blades are
steel and bases
are repurposed
Jarrah wood

#69 Hearts and Opal
in a Cup

#70 Love Hurts

Cup and saucer on saw blade.
The name says it all...

#71 Silver Guitar

Guitar string over silver coin on saw
blade.

#72 The Cost of Coffee

Coffee cup cut by saw with coins.

#74 Saw blade with Silver Kangaroo

1 Oz coin from the Perth Mint.

#73 Silver Saw

A simple saw blade with American silver coin at its' centre.

#75 King Goerge III Saw Blade

Perth Mint 1 Oz Silver coin.

#76 First Frequency

Saw and Jarrah Hammer

#78 Dual Striker

Saw Blade with Two Railroad Spikes

#77 Second Saw Blade

Saw Blade with Railroad Spike

#79 Small Saw Blade

Small Saw Blade with Screwdriver

Silver and Copper Sculptures

Pure Silver is
from either the
United States or
the Perth Mint.

#80 Piece of the Silver Moon

Silver sculpture of a piece of the
moon.

#81 Broken Fork

The artist's attempt at creating a
typical fork used on earth.

#82 Crust

A silver and copper sculpture that reminds the artist of a crust of bread.

#84 Helmet

Silver and Copper sculpture in the shape of an old warrior's helmet.

#83 Gel Balls

A large irregular sculpture made using the gel ball method.

#85 Foot

Silver sculpture with imaginary foot.

#86 Mouth

Silver sculpture with imaginary mouth.

#87 One Ounce Silver

Melted one ounce of silver from the Perth Mint.

#88 Two Ounce Silver

Melted two ounces of silver from the Perth Mint.

#89 More Moon Scape

Once Oz Stirling Silver

#90 Silver Tongue

Silver Coin with Copper melt

#92 S

S is for Susan

#91 Diamond Finger

Silver and Copper casting plus
diamond earring

#93 Two Ounce silver Melt

Two Ounces of Perth Mint Silver
